## Welcome to Shangde Kindergarten!

Nantong Shangde Kindergarten (temporary name) is located at Shangde Road, Tongzhou District, Nantong City, Jiangsu Province. It is another exclusive Kindergarten under Suzhou Lunhua Education Group. The kindergarten is close to a number of upmarket residential areas, covering an area of 10000 square meters, with beautiful location and environment as well as high quality hardware investment. There are 18 classes with 6 classes for each grade and is planned to open on September 1, 2020.

We have introduced Twinklekidz curriculum from 2017. It is a Singapore curriculum which shows respect to each child on their own personality and individuality. It advocates the idea of iTeach which motivates the children to develop in multiple fields. Twinklekidz curriculum covers six domains, including aesthetics and creative expression, discovery of the world, language and literacy, motor skills development, numeracy, social and emotional development which comprehensively promote children to be “the whole kid”. Meanwhile, we incorporate English curriculum with Chinese theme-based curriculum, living skills curriculum, practical exploration curriculum and interests oriented curriculum which are tailored for children to help each individual to grow.
