

Hope International Education (UK) Ltd

Statement of Aims, Principles and Practice

Hope International Education (UK) Ltd is committed to providing high-quality pastoral care, safeguarding, and support for international students studying in UK. Our aim is to ensure that every student is safe, well-supported, and able to achieve their full academic and personal potential while living away from home.

We work closely with students, parents, schools, host families to provide a professional and reliable guardianship service that promotes student welfare, wellbeing, independence, and cultural integration. We are committed to maintaining clear communication, transparency, and the highest standards of care at all times.

Our Principles

Our organisation is guided by the following principles:

- Safeguarding and promoting the welfare of children and young people is our highest priority.
- All students are treated with dignity, respect, equality, and inclusivity.
- Students are placed in safe, suitable, and carefully vetted accommodation.
- Students have access to appropriate pastoral, educational, and emergency support.
- All information is handled professionally and confidentially in accordance with UK data protection requirements.
- We act honestly, transparently, and in the best interests of each student at all times.

Our Practice

In delivering our guardianship services, we will:

- Comply with all relevant UK legislation, safeguarding guidance, and AEGIS Quality Standards.
- Carry out appropriate safer recruitment procedures and checks, including enhanced DBS checks where required.
- Assess, monitor, and regularly review host families and accommodation arrangements.
